

## Examining Consequences

Use the articles to develop a list of *immediate* consequences that you can directly link to the Rebellions of 1837:

Use the articles to develop a list of *long term after the fact* events that you can indirectly link to the Rebellions of 1837 that have an important impact on Canada:

**Rank the impact on Canada of each event that resulted from the Rebellions. Use a scale from -5 (very negative impact) to + 5 (very positive impact). Be sure you describe the type of impact. For instance, does it mainly impact a family, the politics of the country, Canadian identity or the type of government Canada has? Explain your ranking.**
