

Immigration Reflection

Name _____

1. Looking at the different groups on your chart, and your own group, place them in the order in which they arrived on the timeline below:

1800

1850

1900

2. How were the immigration experiences different for those arriving earlier in the period compared to those later on?

Early groups	Earlier groups	Later Groups
Push factors		
Pull factors		
Settlement in Canada		

Looking at your list (including your own group) rank each one according to the number of challenges experienced upon arriving in Canada. Number 1 = Least Difficult

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____

Explain which factors allowed your group ranked #1 to experience the most success.

Explain why the group at the bottom had a more difficult time as newcomers to Canada.
