

Reenactment Research Worksheet

1. What is the name of the person you are researching? _____

2. Briefly describe who the person is (career, relationships, physical features, personality traits, political views)

3. What conflicts did they encounter (prior to the rebellion)?

4. What strategies did they use to deal with the conflict (prior to taking up arms)?

5. Why did their strategies fail?

6. What role did they have in the actual skirmishes?

7. What happened to them, and how did they feel, immediately after the rebellion?
